

PORTRAITS in Social Isolation 2020

Call for Submissions: "Portraits in Social Isolation, 2020"

Deadline: March 25, 9pm

In these times of a developing pandemic, Taos is just one community among countless others staying home, social distancing, self-isolating and self-quarantining. We are home from school and work and routine; we are laid off. And yet we remain connected to each other in this experience.

The TCA seeks self-portraits for a **virtual exhibition** during this unusual time that speak to the experience of voluntary and mandatory isolation.

The TCA Art Committee and Staff will curate.
