

YOUR OWN MOVIE SCREENING Information

We want to make our screen—your screen! Rent the theater and have it to yourself for a private movie screening. Select your pod. Select the picture. We'll do the rest.

PRIVATE RENTAL FEE: \$300

PICK A DATE

Please submit 3 options for dates and times for your private screening.

PICK A MOVIE

You can choose to bring a DVD or Blu-ray.

DVD / Blu-ray: At least two days before the screening, bring the dvd or blu-ray to TCA. It will give us enough time to make sure it runs properly for your screening.

AT THE THEATER

The theater will open 30 minutes before screening time.

BRING YOUR OWN SNACKS!

NOTE: The number of attendees and the restrictions will be determined by New Mexico Public Health Orders. We will be in touch to ensure the best and safest experience. If the situation in Taos county or Town requires, we will reschedule your screening for a later date.

We're looking forward to screening a movie for you!
