PRIVATE THEATER RENTAL INFO + FEES

January '23

Have something special coming up? We want to make *our screen—your screen!* Rent the theater and have it to yourself for a private movie screening and event.

PERFECT FOR:

- Birthdays
- Anniversaries
- Staff parties
- Family celebrations
- Screening that movie that really needs the BIG SCREEN!
(Star Wars! Hogwarts! LOTR!)

PRIVATE RENTAL FEE: \$300

PICK A DATE

Planning a couple weeks ahead works best, but last minute requests are welcome!

PICK A MOVIE

At least two days before the screening, bring the dvd or blu-ray to TCA. It will give us enough time to make sure it runs properly for your screening.

AT THE THEATER

Bring your own food, drink and friends to make it extra special. We have tables and chairs available for set up in the lobby.
